

SHREE UMIYA VIJAY SAW MILL

Wooden Pallets for Export & Domestic Use

In operations since 1960, Shree Umiya Vijay Saw Mill, is today a well-diversified company with business in manufacturing of Wooden Pallet and providing packaging solutions. We, with our sister concern companies, manufacture different types of Wooden Pallets, Drums, Boxes & Crates. Our company is well known for our experience in designing all kinds of pallets, drums, boxes & crates as per the specifications and configurations provided by the customers based on their needs.

- At SHREE UMIYA VIJAY SAW MILL, we make pallet from selected good quality hardwood (Junglewood) and Softwood (Pinewood) as per our customer's requirement.
- We chemically treat wooden pallets in order to avoid termites & fungus, thus assign strength and durability to our pallets.
- We have heat treatment facility to reduce the moisture content in wooden pallets, approved by the Government of India with International Code HT-576.

We have a variety of pallets such as Four-way entry, Two way entry, Reversible, Close Boarded, Open Boarded, Wing type etc.

OUR VISION:

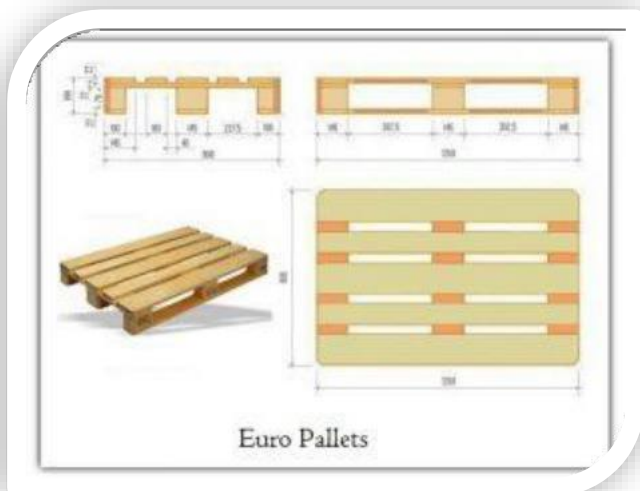

It is our policy to develop and sustain reputation on continual basis, for quality, reliability and safety of our products in the domestic as well as the international market so as to gain customer satisfaction and delight.
